Maplewood Virtual Assistance

Maplewood Virtual Assistance in Hagerstown has received the VAccolade Business Entrepreneurial award, owner Ruth Martin said.

The VAccolade award recognizes participation at the Virtual Assistant Networking Association (VANA), and also recognizes the professionalism with which a company presents itself on the Web.

Virtual Assistants (VAs) are business owners who work from their own offices, providing professional support, services and skills to their clients via phone, fax and Internet-based technology.

Martin's company specializes in administrative office support, marketing support and sales support.
